

## **New Jersey Rap Project – Mrs. Dickson’s Class**

Let’s hop in the car ‘cause we’re going really far  
to the Garden State.

New Jersey’s called the Garden State  
because our fruits and vegetables are so great.

We have lots of great places to go and eat,  
like Cream Valley, Manco and Manco’s, and Chickie & Pete’s.  
We have lots of amusement parks like Six Flags.

You can visit the Statue of Liberty.

We have great beaches that are very pretty:

Ocean City, Cape May, Wildwood, and Atlantic City.

You can get a good tan by the New Jersey sun.

New Jersey explodes with fun!
