

New Jersey Rap Lyrics – Mrs. Gallo's Class

New Jersey is the diner capital. I always bring my plate.
Trenton is the capital. We're the wonderful Garden State.
New Jersey has four regions: Highlands, Appalachian Ridge,
Piedmont Plateau, Atlantic Coastal Plain.
Our beaches are so awesome that we might go insane.
It is located in the Northeast of the U.S.A.
Our state dinosaur is the Hadrosaurus.
Should we sing this as a chorus?
The state tree is the red oak tree
and the state insect is the honeybee.
Bzzzzzzzzzzzzzzzz!
