

## **New Jersey Rap Lyrics -- Mrs. McGeorge's Class**

When you come into New Jersey, we'll greet you with a smile.

Trenton is our capital.

We have Rowan and Princeton University.

We have many beaches: Wildwood, Ocean City, Cape May, Atlantic City.

We have many farms.

We have delicious fruits and veggies – mmm, mmm, mmm!

We have lots of parks and lakes.

New Jersey, New Jersey, that's the state!

New Jersey is our home. We love New Jersey.

N-E-W J-E-R-S-E-Y! What's that spell? New Jersey!
