

New Jersey Rap Lyrics – Mr. Stemberger's class

Oh my gosh, look at the Garden State.
I like New Jersey and I cannot lie.
The Hadrosaurus can't deny.
The white conch shell is just for us.
The Eastern Goldfinch is such a fuss.
There is farmland in New Jersey.
Hammonton has good blueberries.
The red oak is the state tree.
New Jersey is state number three.
The state flower is the meadow violet.
Trenton is the capital.
That's how we do it in Jersey.
