

## Learning is our Mission

Dear Woodstown-Pilesgrove Students, Parents, Guardians, Colleagues, Alumni and Friends:

Thanksgiving is a time to reflect upon the many blessings we have in our lives. I am most thankful for the opportunity to serve our students in our Woodstown-Pilesgrove Regional Schools. Our focus remains clear...maximizing every student's potential.

Our children are precious to all of us, so we can never be too safe regarding our schools. As part of our school safety plans, state mandated drills, fire and emergency take place each month. With safety as our goal, all school doors remain locked when students are present. School grounds, including playgrounds, are off-limits during school hours. Last summer, an overhaul of our district video surveillance system has been completed as part of our successful reconstruction project. There are cameras outside of our school buildings. Doorways and hallways are constantly under video surveillance as well. It's all about student safety!

A few weeks ago, we recognized and honored our Veterans with Veteran's Day Ceremonies in each of our schools. There are many Woodstown-Pilesgrove Regional School staff and community members who have served or are serving our country through military service. We are grateful for the service of these honorable men and women, some who are far away from home.

Throughout the autumn months, I have had the opportunity to visit our schools, observe in classrooms, and to see first-hand the excellent education being provided to our students. I would like to take this opportunity to express my appreciation to the students, staff, parents, and

community members who enthusiastically contribute so much to our Woodstown-Pilesgrove Regional School District. Your support does not go unnoticed. On behalf of the Woodstown-Pilesgrove Regional Board of Education, I would like to wish all of you a Happy Thanksgiving!

Educationally yours,

Ginny Grossman, Superintendent of Schools
