on paper orders. We are planning on waiting, since we are not sure what the fall will look like. We need to look into online store as an option. Could possibly sell shirts while holding a Kona Ice event.

- c. Kona Ice - Candis has been in touch with Kona Ice, we are waiting for a nicer night to hold the event. Looking to hold it off until the weather is nicer.
- d. Clothing Drive - May 15th - Megan Brown is still planning to chair this event. We need to start advertising now, so parents could plan to hold items aside. Flyer is going out and volunteers for the event.
- e. Author/Artist - Based off last month's meeting, we had some ideas to help set the meeting for the author. Story Book Walk is in motion, we received the approval from the Woodstown Boro and it will be set up May 17. The story walk would be up until Memorial Day weekend. To meet the artist, the kids can do a simple art project for the kids that come that night as a grab and go. They can do it at home.

6. School Updates

- a. WRS - Great time for Kona Ice reward for the reading challenge. The children were thankful for their sense of "normal". All the kids were smiling ear to ear.
 - i. Registration is open for the 2021-2022 school year all online. Please share since the numbers are really low right now. We will get the yard signs out to help promote.
 - ii. Resource Fair WRS May 26th- activities to help the families so the learning doesn't stop.
- b. MSS -

- i. Great time for Kona Ice reward for the reading challenge. The children were thankful for their sense of “normal”. All the kids were smiling from ear to ear.
 - ii. Ice cream social - normal we do this during the art show. This year, the art show is virtual. At this time, we are looking to see if we want to potentially run this event with the Resource Fair. will table this for the next meeting. In years past it could cost us \$350 to \$400 for the ice cream.
 - iii. Launch learning - Launch to Learning (Summer program) - jump start into the next school year to help give the kids a solid start. Due to the pandemic, it would be in August to September - 3 hours per day. There would be an invitation to children that meet the qualification based on their needs.
 - iv. Field day/ Fair day - not able to hold this year
 - 1. Wawa used to donate items for field day/ fair day.
Possibly we could get this resource for another event.
 - v. Resource Fair MSS May 27th- activities to help the families so the learning doesn't stop.
- c. WMS -
- i. Kickball tournament - Went very well. Great to have a normal activity - Plan on continuing trying to do fun activities.
 - ii. 8th grade end of the year- Mrs. Pessalano had a parent meeting with the 8th grade parents.
 - 1. Mrs. Pessolano asked if there was any funding available for the 8th grade activities at the end of the year. Over the past several years, PTO has given \$500 toward the 8th grade dance. Unfortunately, we are not having that, but they are hoping to do

other things instead. We are planning things now, so I am just trying to get an idea of what we may have available to us funds-wise. I have asked at the last three meetings, but haven't gotten any clear sense of whether PTO will be able to give anything or not. If it's "no" then I just need to know that so I can plan accordingly. If there is anything that can be given, even a small amount, that would be helpful.

- a. *Please note this was missed in original minutes. I do not recall an answer to this discussion, so I will table to discuss at the next meeting.
 2. One of the parents had a fundraiser idea that did very well in another school district. It would be a raffle Amazon gift card or some type of gift cards. Each student would get a couple of raffle tickets to sell for \$5. We could possibly do this for next year, if not for the end of this year.
 - iii. Launch learning - Launch to Learning (Summer program) - jump start into the next school year to help give the kids a solid start. Due to the pandemic, it would be in August to September - 3 hours per day. There would be an invitation to children that meet the qualification based on their needs.
7. Other
- a. Teacher Appreciation - chaired by Joanie. Teacher appreciation bags will be delivered to the schools the week of May 3rd. Signup genius

will be going out by Friday asking for donations. Victoria has volunteered to help put the appreciation bags together.

- b. Memory Book - Flyers are being put together and should be going out next week. Deadline tentative.
8. Closing - Candis made a motion to close the meeting at 7:53pm, Johanna seconded the motion.
